For a number of years now NOCNSF has the strategic goal to be within the Top10 of elite sports in the world in the medal table of both the Summer and Winter Olympics. Until now we have only managed to reach this strategic goal during the Summer Olympics in Sydney. Why haven't we been more successful, as an organisation (NOCNSF), in relation to this strategic goal? This research will concentrate on the question what is the best organisational structure and governance model for NOCNSF to reach the strategic goal of a sustainable Top10 position with elite sports in the world? In the framework of organisational sports in the Netherlands we have a 4 year strategic cycle called the Sports Agenda. Every 4 years NOCNSF and its 73 members (National Federations) determine a strategic plan including main objectives. The current cycle, 2009-2012 has three main objectives: The Netherlands in the Top10 of elite sports, 2 growth a year of members in sport for all and organisational development of the National Federations.
